

Randfontein Primary

# Mission Statement :

As a place of education we would like to educate the learners in our care by providing the opportunities (based on acceptable norms and values with due respect for all religious convictions of all participants ) for learners to fully develop their potential in all aspects of their lives :

- \* physically
- \* spiritually
- \* extra and co- curricular
- \* academically
- \* morally

For the learners to develop into people who are :

- \* creative
- \* independent
- \* equipped with the necessary life skills
- \* critical and rational thinkers
- \* responsible citizens in the multi-cultural environment of our country
- \* active and healthy individuals who will make a meaningful contribution to society

and have :

- \* respect for others and themselves i.e. their possessions ,other people , animals and the environment and will follow the principles of UBUNTU .
- \* a clear understanding of acceptable norms
- \* an awareness of what is acceptable and unacceptable behaviour
- \* a thirst to strive for greater achievements as well as being humble at all times .
