

Randfontein Primary

# Vision of RPS

- *To be known as a school with high standards ; a school that shows that it can take the lead ; is innovative and accepts accountability for education within the school and the community . A school that has the courage to stand up and be noticed .*
- *A modern learning centre that will cater for all the needs of learners so that they can reach their full potential as responsible and creative citizens . A place where the child's natural thirst for knowledge is nurtured ,encouraged and developed .*
- *A school that co—operates with stakeholders in a spirit of joint responsibility to ensure the provision of sound education of the highest standards .*
- *A school that encourages a culture of respect and mutual tolerance among all the diverse cultures and nationalities that make up the school community .A place where we encourage diversity and find unity within diversity .*
- *A place where the culture of learning and teaching , pride , hard work and responsibility is strived for among the learners and educators .*
