Dear Parents / Guardians

Welcome Back

Welcome back to all staff, learners and parents after the holidays. We trust that you are all well rested to take on the challenges of the new and exciting term.

YOU DID IT! *Congratulations*

ATHLETICS

Congratulations to Kitso Mokoma and Remoratile Ramokgadi who participated in the National Athletics Championships from 26-28 March in Limpopo. Kitso finished 3rd in the country for the 200m Hurdles and 80m Hurdles and Remoratile placed 9th in the country for 200m Hurdles. Well done, we are proud of you!

April 2 became officially recognized as World Autism Awareness Day in 2008 with unanimous declarations from the United Nations General Assembly. The goal has been to help improve the quality of life of those with autism.

Autism, or autism spectrum disorder (ASD), refers to a broad range of conditions characterized by challenges with social skills, repetitive behaviors, speech and nonverbal communication.

We know that there is not one autism but many subtypes, most influenced by a combination of genetic and environmental factors. Because autism is a spectrum disorder, each person with autism has a distinct set of strengths and challenges. The ways in which people with autism learn, think and problem-solve can range from highly skilled to severely challenged. Some people with ASD may require significant support in their daily lives, while others may need less support and, in some cases, live entirely independently.

Several factors may influence the development of autism, and it is often accompanied by sensory sensitivities and medical issues such as gastrointestinal (GI) disorders, seizures or sleep disorders, as well as mental health challenges such as anxiety, depression and attention issues.

Signs of autism usually appear by age 2 or 3. Some associated development delays can appear even earlier, and often, it can be diagnosed as early as 18 months. Research shows that early intervention leads to positive outcomes later in life for people with autism.

THEME OF THE WEEK

"Special Days and Festivals"

Parents, please discuss the theme with the learners at home. Discuss the different special days and festivals we celebrate.

COLOUR OF THE WEEK

Please help your child with the sounds in the word PURPLE.

SOUND OF THE WEEK

"M m"

Please help your child with words that have the letter "M m".

NUMBER OF THE WEEK

4

FOUR

Please help your child with the writing of the number **FOUR**, parents are also requested to practice oral counting backwards from 5 to 1.

SHAPE OF THE WEEK

Please help your child with recognising a **TRIANGLE**, **SQUARE** and **CIRCLE**.

REINFORCEMENT

Please reinforce oral counting from 1 to 10.
