FREEDOM DAY - 27 APRIL 2024

Freedom Day commemorates the first democratic elections held in South Africa on 27 April 1994. It is an occasion for the country to remember and celebrate struggle icons and honour those who continue to be committed to transformation and to building a better life for all of us.

Freedom Day therefore serves as a reminder to us that the guarantee of our freedom requires us to remain permanently vigilant against corruption and the erosion of the values of freedom and to build an active citizenry that will work towards wiping out the legacy of racism, inequality and the promotion of the rights embodied in our constitution.
